

Dunleer, 17 December 2019

Closing and relocation of Burex Manufacturing Ltd.

Thank you very much for your partnership with Burex Manufacturing throughout the years. Burex was acquired by the Mountville Mills group of companies in March 2019. In order to better serve our European and UK customers, we have decided to close Burex's manufacturing locations in Dunleer, IE and relocate operations to Ronse, Belgium.

This relocation will allow us to better serve Burex's European customers with faster lead times and a local sales and customer service team. Burex's UK and Irish customers will be serviced by Purple Mustard Ltd. which will result in faster lead times and local customer service staff for our UK and Irish customers.

We would like to thank the staff of Burex in Ireland for their years of dedication and service.

In addition to relocating Burex' manufacturing locations, we are rebranding our business to Purple Mustard Europe. Below are the contact details for Purple Mustard Europe NV.

Purple Mustard Europe NV

Klein Frankrijkstraat 14
9600 Ronse
BE
